Michigan hospital plans to outsource clinical, business, MMIS to Superior. Sep 04:4.
New physician-owned hospital agrees to outsource purchasing to Broadlane. Sep 04:5.
Pennsylvania hospital plans to outsource materials management with distributor. Sep 03:4.
Scripps combines savings strategies: outsourcing, use review, GPO switch. Mar 03:3.
Study indicates outsourcing may pick up this year. Mar 03:15.

PACS

Adventist Health opts to expand its use of PACS networks from Agfa Healthcare. Jan 04:5.
Baptist Health finds cardiology PACS helps to save on film, increase revenue. May 03:3.
California IDN to install new software to integrate PACS, radiology reporting. Jan 04:4.
Hospitals converting from film to digital radiology systems choose PACS from IDX. Jun 03:5.
Multi-source PACS agreements will offer range of choices to Novation members. Aug 03:8.
New York hospital to expand PACS use with cardiology system from Agfa. May 03:4.
Novation will make IMPAX available at discount under new contract with Agfa. Jun 03:7.
Novation's PACS portfolio down to three sources as McKesson Corp. drops out. Oct 03:7.
Sentara hospitals finish joining imaging data via PACS from Agfa Healthcare. Feb 04:3.
Sentara selects Agfa's cardiology PACS to install in two of its Virginia hospitals. May 03:5.
Sutter Health agrees to purchase PACS software and hardware from Siemens. Oct 04:3.
Vendor helps finance PACS investment for New York hospital in five-year deal. Mar 04:5.

Paper, office supplies

MedAssets expects members to save on remade ink cartridges under new deal. Sep 03:8.
Modest paper price hikes seen. Dec 04:1.
More predictions from Paper Industry News. Nov 03:13.
Paper demand set to rebound. Nov 03:1.
TimeMed is sole source of patient, office labels under new Consorta agreement. Jun 04:7.

Pathology

Remote tissue viewing system will make life easier for U. of Michigan pathologists. May 04:5.

Patient furniture, supplies

Amerinet taps Hill-Rom, KCI to provide therapeutic beds at up to 50% discount. Sep 04:8.
Bariatric bed line updated in response for use by older nurses, heavier patients. Aug 03:5.
Bariatric patient furniture is expensive, but major vendors are willing to rent. Jun 04:5.
Bedside diagnostic tools featured in pair of Premier contracts with Abbott, Roche. Jan 04:8.
Discounts impressive in Consorta deal with Hill Rom for hospital beds. May 03:8.
Excel wheelchairs part of new contract between Consorta, Medline for DME. Jun 04:8.
For heavy patients, Wisconsin hospital purchases cost-saving toilet supports. Apr 04:5.
Group wheelchair contract participants influence vendor's product improvements. Aug 03:6.
Hospitals forced to skimp on specialty beds due to low reimbursement levels. Jan 03:4.
Larger patients mean larger hospital expenses for equipment, med-surg items. Feb 04:6.
Novation opts to use Medline Industries for replacement of patient mattresses. Nov 03:7.
Pair of footwear firms to share Novation business under dual-source agreement. Jan 04:8.
Patient beds and other supplies deeply discounted in new Consorta contracts. Sep 03:8.
Patient wristbands to carry more data than ever, as vendors push bar-code use. Jun 04:11.
Vancouver hospital agrees to purchase overhead patient lifts; vendor is Liko. Aug 03:3.

Patient monitors

Cardinal Health expands device portfolio in merger with Alaris Medical Systems. Jul 04:5.
Cleveland Clinic selects Philips to install diagnostic, patient monitoring devices. Jan 04:4.
Increasing need for patient monitors predicted as critical care units grow. May 04:4.
Non-invasive BP monitors part of start-up equipment at Northeast Georgia facility. Apr 03:3.
Vendor agreement leads to combination of pulse oximeter, patient monitor units. Feb 04:3.

Patient records

See Medical records.

Pediatric supplies

Camera pill use may soon be extended to pediatric patients following Canada trial. Aug 03:3.
Childrens Hospital investing in pediatric pulse oximeters from Nellcor after trial. May 04:3.
Louisiana hospital adopts barcode system to monitor pediatric medication. May 03:5.
New technology to test infant hearing featured in MedAssets pact with Natus. Apr 03:7.
New technology to test infant hearing featured in MedAssets pact with Natus. Apr 03:7.
Ohio hospital adds pediatric cardio data system to Camtronics image software. Nov 04:3.
Ohio pediatric hospital agrees to convert medical records to Web-based system . Feb 03:4.
Pediatric supply choice expected to grow for GHX users thanks to deal with CHCA. Apr 04:6.

Pharmaceutical products

Advances in drug-delivery technology will prompt greater spending, study shows. Feb 03:5.
All drug indices move up in second quarter. Apr 03:11.
By standardizing on just nine drug types, hospitals can cut pharmacy spend by 30%. Dec 04:3.
Cook forced to resign in overpayment scandal. Nov 04:2.
Drug index beginning to move up again. Jan 03:15.
Drug indices show overall gains in 4th quarter. Oct 03:16.
Drug indices still rising, but more slowly. Jan 04:10.
Henry Ford Hospital to install software that manages drug formulary information. Jul 03:5.
MHA taps NetRx to help members save money operating on-site pharmacies. Mar 04:8.

Two sources of medical gases available to Premier members under new pact. Apr 04:7.
Two-hospital IDN moves group buying business from Premier to MedAssets. May 03:5.
Variety of orthopedic soft goods on tap in new Premier pact with BSN Medical. Dec 04:8.
Wide choice of glove vendors available under new agreement offered by Premier. Mar 03:8.

Price forecasts

Cardiology prices seen levelling off in '03. Jan 03:20.
Prices going up, employment down through 2003. Aug 03:10
Higher implant, monitor prices seen in 2004. Feb 04:15.
Revenue heading up, but so are prices: ISM. Jun 04:11.
Imaging, cardiology to see some price declines. Aug 04.14..

Price index

All drug indices move up in second quarter. Oct 03:16.
Catheters lead med-surg index increases. Sep 04:15.
Drug indices jump 3 percentage points in 2004. Apr 04:16.
Drug indices show overall gains in 4th quarter. Apr 03:11.
Drug indices still rising, but more slowly. Jan 04:10.
Glove, sponge indices remain volatile in Q2. Nov 03:14.
Indices down for 3rd quarter, but up for the year. Feb 03:20.
Indices for 4th quarter 2002 were up overall. May 03:20.
Med-surg indices begin 2003 relatively stable. Aug 03:14.
Med-surg indices decline overall in 2003. Jun 04:14.
Med-surg indices fall sharply in 2nd quarter. Nov 04:14.
Med-surg indices move up in third quarter. Mar 04:16.
New year saw hikes for most drug indices. Jul 03:11.
Orthopedic, suture indices lead annual hikes. Oct 03:17.
Pace of drug index hikes steepens in 1st quarter. Aug 04.15.
Price index shows hospitals received more compensation for services in Jan. Apr 03:5.

Price watch

Diagnostic apparatus index leads April increases. Jun 04:17.
Diagnostic devices index drops 6.6% in February. Apr 03:22.
Electromedical device index slides lower in Oct. Dec 03:17.
Instruments up for year; monitors down. Jan 03:22.
July indices show little movement from June. Sep 04:17.
Little change seen in med-surg PPI for July. Sep 03:17.
Little movement seen in med-surg indices. Feb 03:22.
Medical commodities up slightly in August. Nov 04:17.
Med-surg indices decline slightly in August. Oct 04:17.
Med-surg indices down on average in June. Aug 04.17.
Med-surg indices show little or no change. Jul 03:17.
Med-surg PPI shows little change in September. Nov 03:16.
Med-surg prices end year steady or declining. Feb 04:17.
Med-surg supply indices holding steady. Dec 04:17.
Most med-surg indices stay level in November. Jan 04:17.
Orthopedics lead med-surg PPI in annual rise. Aug 03:17.
Patient monitors lead in annual index decline. Mar 03:22.
PPI down slightly in February; March CPI up 0.2%. May 04:17.
PPI down, but most med-surg goods up in April. Jun 03:22.
PPI up 3.3%; medical care CPI up 0.2% in Jan. Apr 04:17.
PPIs for medical goods move higher in March. May 03:22.
Surgical instruments index up 4.2% for May. Jul 04:17.

Protective apparel

Clinical apparel set to regain professional distinction, manufacturer rep believes. Dec 04:3.
Device will keep track of scrubs. Mar 04:11.
Gown prices head downward. Mar 04:1.
More options for apparel buys. Feb 03:1.
Protective apparel covered in two deals between Premier and Cardinal Health. Apr 04:6.

Pulse oximeters

California hospitals among first to buy new line of Masimo pulse oximeters. Oct 03:5.
Delaware hospital taps Nellcor to provide complete new line of pulse oximeters. Jan 03:3.
Florida IDN: 'It's nice to have reading we can trust' following oximeter switch. Jul 04:5.
Hospitals choose sides in pulse oximetry competition, as FDA chides reprocessor. Jan 04:3.
Maryland hospital agrees to standardize on pulse oximetry devices from Masimo. Nov 03:4.
Mississippi IDN favors forehead sensors for more accurate pulse oximetry. Mar 04:4.
New York hospital will upgrade oximetry systems following test of Nellcor device. Feb 04:4.
Oregon hospital's experience with vendor helps it standardize on pulse oximeters. Sep 04:3.
Oximeter vendor rivalry is reflected in series of hospital deals, clinical tests. Jul 03:3.
Oximetry test leads to choice of Masimo SET by Brigham and Women's Hospital. Feb 04:4.
Pulse oximeter stations, pagers, promise efficiency savings for Maryland hospital. Mar 04:4.
Texas hospital selects Nellcor to provide newest line of pulse oximeters, sensors. Mar 04:3.
Vendor agreement leads to combination of pulse oximeter, patient monitor units. Feb 04:3.

Radiology

AmeriNet signs pact for imaging devices with SourceOne Health Care Technologies. May 03:6.
Consorta contrast media deal followed extensive member survey, discussion. Mar 04:7.
Florida Hospital's Celebration facility will be home to radiation therapy school. Oct 04:5.
Florida IDN to install eight-hospital PACS for its radiology, cardiology departments. Feb 04:4.
Groups expanding radiology portfolios with radiography, integrated services. Oct 03:6.
JPC continues to grow radiology portfolio with Medrad contrast injection systems. Jul 03:6.
Mayo Clinic selects Siemens to install PACS for digital storage of images. Aug 04.3.
MRI contrast media discounts to increase for AmeriNet's Elite Preferred members. Apr 03:8.
Premier continues relationship with Agfa in two new pacts for imaging products. Feb 04:8.
Radiology supplies featured in new deals between AmeriNet, NHD, St. John Cos. May 03:8.
Renewal of X-ray supply deal leaves Kodak as preferred Consorta supplier. Mar 03:8.
Second type of diagnostic capsule to be available from Ethicon under agreement. Jul 04:4.

Reprocessing

See also Sterilization.
Commitment to quality reflected in compliance record. Dec 03:15.
Hospital contracts for reprocessing to be honored, despite shutdown of vendor. Sep 03:3.
Instead of fighting, instrument maker and reprocessor decide to work together. Jun 03:14.
Instrument repair, processing costs pose significant problems for OR nurses. Jun 04:3.
More hospitals decide to hire third-party reprocessors for single-use devices. Mar 04:3.
Reprocessing options increasing; latest additions include electrophysiology. Dec 03:4.
Reprocessor Alliance expands repertoire. May 03:16.
Reusable instruments contract allows Jackson Memorial to avoid up-front cost. Apr 04:5.
Reuse or dispose? Hospitals find options increasing as manufacturer adds service. Apr 04:5.
Savings from reprocessing disposable items can add up quickly, vendor says. Aug 04.5.
Some reprocessed medical devices fail to meet new FDA requirements for use. Dec 04:4.
UHC members find savings reprocessing single-use items under Alliance contract. Jul 03:8.
VHA opts to continue using Vanguard for device reprocessing; California agrees. May 04:8.

Respiratory supplies

Hospital have four choices when sourcing ventilators, according to Frost survey. Nov 04:4.
HSCA taps Respironics to provide line of ventilators and masks in new contract. Jun 04:6.
New Consorta contract with LMA covers products for airway management. Aug 03:8.

Safety devices, programs

Expanded safety device deals attract nursing staff to California hospitals. Nov 03:5.
High-tech products will help Hospital Sisters Health System protect patients. Jun 03:5.
New Jersey hospital will convert to safety sharps containers made by Daniels Corp. Nov 04:16.
Safety device portfolio includes needles used in anesthesia delivery devices. Dec 03:4.
Safety needle lawsuit faces second trial delay. Mar 04:2.
Safety needle lawsuit settled by three defendants; BD trial still set for Feb. 2004. Jun 03:6.
Safety needles lead price hikes. Feb 04:1.
State requirements seen giving boost to manufacturers of safety needles. May 04:4.

Salaries

Materials salaries up: survey. Oct 04:15.

Shared Services Healthcare

New Shared Services contract will help member hospitals recruit foreign nurses. Jan 04:7.
OR reprocessing deal expected to save $$ for SSH members on surgical packs. Nov 03:7.
Shared Services inks new agreement for performance management with ActaView. Jun 03:7.
Shared Services members participating in MedAssets compliance programs. Sep 04:6.
Shared Services members save in MedAssets compliance programs. Aug 04.15.
SSH adds vendor to accounts receivable service portfolio in new deal with Allied. Jan 04:6.
SSH awards contract to Modern Biomed for capital equipment management. Sep 03:7.
SSH renews agreement with Mobile covering repair of endoscopic devices. Jun 04:6.

Skin care

See also Patient supplies.
Hand hygiene products covered in pact between Novation and Medline Industries. Jun 03:7.

Sleep assessment

Consorta members have access to sleep assessment instruments under new pact. Oct 03:8.

Software

See Computer equipment, software.

Sponges

Hospitals may switch to Medline for sponges as Ethicon ceases production. Oct 03:4.

Staffing

New JPC contract features software designed to automate staffing process. Nov 03:8.
VHA deal will give member hospitals access to national pool of temp nurses. Jan 03:6.

Stents

Cardiologists say they will continue using traditional stents along with drug-eluting. Jan 03:3.
Cordis first to market with drug-eluting stent. Jun 03:18.
Cordis warns of drug-eluting stent failures. Aug 03:2.
Drug-eluting stent battle picks up speed. May 04:2.
Drug-eluting stent crunch ahead; hospitals need strategies to meet growing demand. Dec 03:3.
Drug-eluting stent market is expected to see competition as more trials end. Jul 03:5.
Drug-eluting stent market slated to grow as more manufacturers seek FDA nod. Oct 03:3.
Drug-eluting stent market to loosen up after FDA approves second vendor. Jan 04:3.
Drug-eluting stents boost prices. Jan 04:1.
Drug-eluting stents evoke courtroom controversy among manufacturers. Aug 04.3.
FDA approves Taxus stent; materials managers cheer. Apr 04:1.
FDA keeping close eye on drug-eluting stents, may add new device category. Jun 04:4.
For drug-eluting stents, market continues to churn as J&J's Cypher regains share. Oct 04:5.
Hospitals eye Cordis rivals in stent wars, despite company's drug-eluting monopoly. Feb 04:5.
Stent maker, manufacturing equipment supplier at odds over technology use. Nov 04:16.
The rush is on to acquire drug-eluting stents. Jun 03:2.
Trials indicate good prospects for newest drug-eluting stent using everolimus. Nov 04:4.
Vendors jockey for legal edge in race to bring drug-eluting stents to market. Sep 03:4.
Will 2003 be year of the drug-eluting stent?. April 03:15.

Sterilization

See also Reprocessing.
New sterilization technology promises to save $100,000 at Methodist Hospital. Apr 04:3.

Stethoscopes

Premier adds new technology in contract covering electronic stethoscopes. Jul 03:7.

Supplier issues

Industry hopeful that Maxxim will recover. Mar 03:15.
